ACTION TAKEN:

PERMIT IS HEREBY ISSUED SUBJECT TO THE FOLLOWING:

1. That the proposed electrical works shall be in accordance with the electrical plans filed with this Office and in conformity with the provisions of the latest Philippine Electrical Code, the National Building Code and its IRR.
2. That prior to any electrical installation, the Owner/Permitee shall submit a duly accomplished prescribed Notice of Construction to the Office of the Building Official.
3. That for installed electrical capacity of 200 amperes and above at 230 volts nominal and above, a specialty electrical contractor duly licensed by the Philippine Contractors Accreditation Board (PCAB) shall be required.
4. That a duly licensed electrical practitioner shall be in charge of the installation, and that upon completion of the electrical works, he shall submit the entry of the logbook duly signed and sealed to the OBO including as built plans and other documents. He shall also accomplish the Certificate of Completion stating that the electrical works conform to the provisions of the Philippine Electrical Codes, the National Building Code and its IRR.
5. That this permit is null and void unless accompanied by the building permit except for projects involving purely electrical works in which case only the building permit number of the existing building/structure shall be required.
6. That a Certificate of Final Electrical Inspection (CFEI) shall be secured prior to the actual occupancy of the building.
7. That this permit shall be posted at the door or site of work.
